The Hotel Pez Espada by MedPlaya, in Torremolinos, is one of the most distinguished and iconic hotels on the Costa del Sol, offering the perfect combination of a relaxed atmosphere and attentive, personalised service.

The hotel blends modernity and history, and has been renovated in a style which reflects the hotel's heritage since the 1960s. It features a wide range of stylish and comfortable renovated rooms, from classic rooms to Superior Club rooms with pool or sea views, and even three different types of Junior Suites. The Beach Front Junior Suites are a favorite choice among guests, as they are spacious and offer stunning views of the Mediterranean

Sea, along with a private jacuzzi. Additionally, the new Junior Suites and Celebrity Junior Suites offer an additional level of comfort and service.

The main pool is located amidst beautiful gardens with direct access to the promenade, and the "Splash & Play" upper pool is also surrounded by a landscaped area that offers additional fun, with jets and colors to make cooling off more enjoyable, especially for children.

Enjoy a unique experience by sipping a cocktail at Frankie's bar or savouring the gastronomic delights at the Ondina restaurant, with fabulous sea views and a menu designed for those who appreciate the Mediterranean lifestyle. For delicious snacks during the day, the Food Truck is available in summer on the terrace and pool garden area, offering treats like burgers, sandwiches, and smoothies. And if you're in the mood for ice cream to beat the heat, head over to the Dino Ice Cream Parlour. The entertainment programme includes daily activities and evening entertainment, and the hotel offers versatile and bright facilities for meetings and events for up to 300 people.

The Pez Espada opened its doors in 1959 as the only 5-star hotel in the area, immediately attracting cultural and political figures, as well as royalty and film stars. Anthony Quinn, Brigitte Bardot, Sean Connery, Charlton Heston, and the great Frank Sinatra, among others, were all guests of this emblematic hotel that boasts a privileged location. Don't miss out on everything that the Hotel Pez Espada by MedPlaya and its surroundings can offer you.
